

UNIVERSITY OF TORONTO
FACULTY OF APPLIED SCIENCE & ENGINEERING
Institute for Leadership Education in Engineering

Photographer

1 Position Available

Purpose

This year ILead is forming a dynamic student team of leaders that will contribute to workshops and events, as well as cultivate a community of leadership development in engineering. The Photographer will be part of this team along with Community Engagement Coordinators, Communications Assistant, Student Club Liaisons, and Leadership Lab Facilitators.

Under the direction of the Teaching and Learning Program Assistant and other ILead Staff, the Student Photographer's primary responsibility is to shoot and edit photographs at ILead events. The photographer will be expected to capture the experience of the participants through photography, and turn around these images within a very short amount of time. The photographer will have the opportunity to build their own portfolio of work through this employment opportunity. Images will be added to the ILead archive and may be used for promotional initiatives and materials (annual reports, social media, website, etc.)

Qualifications and Skills

Education

Current undergraduate or graduate engineering students.
