Community Animator
Job ID 148121

4 Positions Available

Purpose

ILead (Troost Institute for Leadership Education in Engineering) is forming a dynamic team of student leaders who will work together to cultivate a community that values leadership development in the Faculty of Applied Science & Engineering. Four Community Animators will be part of this team, along with a Digital Content Specialist, Student Club Liaison, Data Analyst, and Photographer.

Under the supervision of ILead staff, the Community Animators will work together to develop innovative and inclusive activities that build awareness of ILead and inspire the engineering community to engage with leadership development. They will assist with logistics and planning for workshops and events, as well as be a welcoming presence at events. Community Animators are creative, out-of-the box thinkers with a strong desire to connect with others and build unique, meaningful in-person activities. ILead does not know what these activities will look like, so the ideal candidate is comfortable with ambiguity and is willing to try to new things!

Education
Current undergraduate engineering students.
